Re: United States v. Ng Chong Hwa a.k.a Roger Ng, 18 Cr. 538 (MKB)

Dear Judge Brodie:

Earlier today, October 30, 2018, Defendant Roger Ng, through counsel, filed a Notice of Motion and a Memorandum in Support of Defendant's Motions to Dismiss the Indictment and for Other Relief (collectively, "motion papers"). Pursuant to Paragraph 9 of the Protective Order, which requires the parties to file "Discovery Materials under seal," counsel filed the memorandum of law under seal because the memorandum contains multiple references to documents and emails found in discovery. (See Dkt. 43, Memorandum of Law in Support of the motion papers; Dkt. 26, Protective Order ¶ 9.) Defendant now moves to unseal these motion papers, with the exception of Point IX. in the Memorandum of Law, which refers to documents marked as "Attorneys' Eyes Only."<sup>1</sup> (See Dkt. 43 at 116-122.) If the Court grants this request, counsel will file a Memorandum of Law that redacts the entirety of Point IX.

Defendant Ng and his counsel believe that the defendant's factual and legal arguments concerning why the Government's Indictment against him lacks merit should be part of public

record. The Government has been steadily telling its story, through public filings, of the massive 1MDB theft for over four years. In the last four years, the Government has filed dozens of civil In Rem cases setting forth detailed factual statements concerning the theft of 1MDB funds and how those funds spread across the globe.

Over the last two years, the Government has been steadily telling the story of how Roger Ng, among others, was involved in these crimes, through the filing of the Indictment in this case. More recently, the Government has filed an Information, charging Goldman Sachs Group, Inc., a second Information charging Goldman Sachs (Malaysia) Sdn Bhd., a Plea Agreement with Goldman (Malaysia) and a Deferred Prosecution Agreement for Goldman Sachs Group, Inc. These publicly-filed documents implicate Ng, among others, in substantial criminal activity. The motions of this defendant setting forth in detail why the Government's Indictment of him should be dismissed is a matter of overriding public concern and should be every bit as public as are the Government's filings tending to implicate him. Therefore, Ng respectfully requests that these motions be made public and filed on the docket, with the exception, as noted, of the Attorneys' Eyes Only material, which will be redacted.

We thank the Court for its attention to this matter.

Respectfully submitted,

Marc A. Agnifilo, Esq., *Of Counsel*  
Zach Intrater, Esq., *Of Counsel*  
Teny R. Geragos, Esq.  
Jacob Kaplan, Esq.
